

FROEHLKE

25 April 1972.

Dear Mr. Secretary.

Just a quick line to  
thank you and to tell you how much I  
enjoyed the breakfast with you and with  
the three Congressmen.

I did send Mr. Guber the  
quotation from Sun Tzu. I am enclosing a  
copy if you have a moment to look it over.

Again many thanks and  
with every good wish to Mr. Froehle and  
to you

Faithfully
